SKAVEN

It is the time of Chaos. It is the time of civil war. It is the time of the Skaven.
Skaven are loathsome ratmen. Their underground empire stretches across the Old World and in the darkness, they work to overthrow the rule of man.
The Thirteen Lords of Decay have chosen Clan Eshin to recover the priceless Warpstone which the Manlings would use foolishly and perhaps do harm to the Greater Cause of the Horned Rat. No-no, the Warpstone belongs to the Skaven!

WITCH HUNTERS

The Order of the Witch Hunters is an organization dedicated to the eradication of Warlocks, Chaos Worshippers and mutants. There are few men more fanatical than these puritanical warriors. Now the Order has emerged from the shadows to cleanse the cursed city of Mordheim with fire and steel in the name of Sigmar.

THE POSSESSED

The Daemonic force follow an Unspeakable Beast which lurks in the darkness of The Pit, the crater which the meteor left to scar the earth. These men are crazed fanatics: blood sacrifices, dark rituals, Daemon worship, nothing is too base or low for them.

There are few sights as frightening as a Possessed warband on the prowl: deranged, crazed men brandishing serrated weapons and chanting blasphemous rites to the Dark Gods. With their bodies covered in tattoos and ritual scars many of the warband are scarcely recognizable as humans any more.

But the worst of them all are the Possessed: elephantine horrors of melded flesh, obscene hybrids of man, beast and metal driven by the will of a Daemon.

REIKLANDERS

These are times of unremitting warfare, civil strife, violence and famine. These are good times. Mordheim is the place to be now, for all the nobles and merchants have promised rich rewards for the Holy Stones that rained down from the skies and destroyed the city. Rewards which have brought mercenaries from all over the Old World.

Reikland is the heart of the Empire. The Reiklanders are professional, disciplined soldiers who take war very seriously, and will let nothing stand between Dietmar, the dynamic ambitious Grand Prince of Reikland and the throne of the Emperor.
